Page 1-13: Apples & Melons Cards

To make: Paste together a page of card fronts with a page card backs (red with red, green with green)
to avoid see through cards you can print on cardstock, glue a piece of cardstock between the
card front and back, or colour the backs of the cards fronts and backs

Cut out the cards

Laminate the cards

**The blank cards are there to make it easier to make your own cards. I usually choose just one theme for the green cards (animals, foods, etc) but use all the red cards.
