Group Norms

- This is a safe space! Please be respectful of each other.
- What is discussed here stays here.
- Be a good listener and help the group hear different voices!
- Don't force yourself to speak.

Topic 1: What is island life like?

- **Mini Question:** What are some cultural differences in communicating with the local residents, students and teachers?
- **Mini Question:** How can knowing Japanese play a part in being independent?

Topic 2: What are some pros and cons of living on an island?

- **Mini question:** What are some advantages to living in an isolated area? What are some disadvantages?
- **Mini question:** What are some things you have to be careful of when living on the islands?

Topic 3: How can we, as islander ALTs, build more connections?

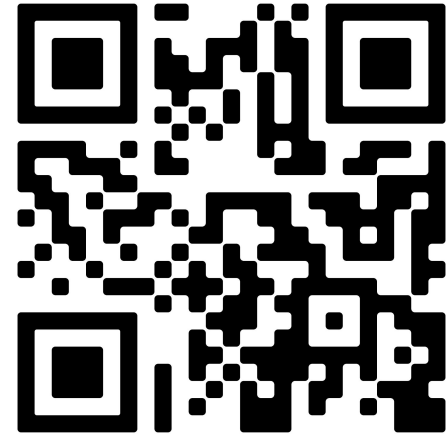

- **Mini question:** What are some ways an ALT can get involved with the island's local community?
- **Mini question:** What are some ways an islander ALT can get involved with the Nagasaki ALT community?
